FIND OUT NOW! JOIN AHECTA!*

Do you provide or support CATV, IPTV, or other video technologies to your college or university campus?

Are you a higher education video or media professional working with student- or campus-produced stations or programs?

Does your company provide programming, distribution, or production products or services that support on-campus video technology?

If you answered **YES to any of these questions, you need to join AHECTA: the Association of Higher Education Campus Television Administrators!**

Association of Higher Education
Campus Television Administrators

AHECTA is the ONLY organization that brings together university professionals with the vendors who supply products, partnerships, and industry expertise of the video production and delivery world. We are the nation's foremost organization dedicated to promoting, developing, and expanding the use of campus communication, cable, and video services as instructional, informational, and entertainment tools in Higher Education.

Membership Benefits:

- Networking with fellow professionals engaged in the future of campus television and new-video and content-related technologies
- Access to our exclusive email listserv
- Discounts for attending and exhibiting at the AHECTA Annual Conference
- Access to the Members Only portion of our website, www.ahecta.org

Annual Conference

The AHECTA Annual Conference provides an excellent opportunity for video professionals across all disciplines to gather, share, and learn in an informal and relaxed setting. Conference sessions are based on members' expertise. Recent topics include video on demand, copyright issues, technology trends, and student productions. One-on-one communication and interaction with industry experts, service and equipment vendors, and representatives from colleges and universities across the country is a vital and valuable part of our conference.

Contact AHECTA today!

Go to www.ahecta.org for all the latest association news, including annual conference information, up-to-date membership directories, and more. Current members have secure access to past conference presentations, shared resources, and more.

AHECTA is a member of the Council of Higher Education Management Associations
